Dear Bobby and Sallie Bachelor & Seegar's Fence,

On behalf of all the members of the Reelin' For Research Steering Committee, I want to thank you for your generous contribution and for being the 2010 Title Sponsor of the 2nd Annual Reelin' For Research Off-Shore Fishing Tournament.

The Seegars Fence Company corporate sponsorship truly was an asset to making this year's tournament a success. Your donation was instrumental in the planning and execution of the event in Morehead City as well as helped us to present a check to the NC Children's Promise for just under \$70,000.

Our tremendous achievements this year could not have been possible without you. Boat registration more than doubled, we saw an increase in attendance at all events over the weekend and personal donations and corporate sponsorships such as yours allowed us to more than double the amount of money we were able to donate. Money raised will now go to the Tony Montana Fellowship Fund and will help to continue to support children's cancer research and to provide outstanding care for the UNC Children's Hospital by providing Fellowship opportunities.

Each member of the Reelin' For Research Steering Committee remains enthusiastic, dedicated and determined to make a difference through this tournament. However, none of this would be a reality without the support and contributions from people such as you. We look forward to future opportunities through which we'll be "fighting" together to "land" a cure for the kids.

Kindest regards –
